RESERVE RED WINES

Atlas Peak '03	Napa, California	Cabernet Sauvignon	76
<i>The cab shows off the power and structure of the 2003 vintage, with firm tannins and concentrated fruit flavors of cherry and blueberry. This release is sold out so drink this before it becomes extinct.</i>			
Cain Concept "The Benchland" '04	Napa, California	Cab Sauv, Merlot, Cab Franc, Petit Verdot	77
<i>Cabernet Sauvignon 61%, Merlot 16%, Cabernet Franc 12%, Petit Verdot 11%. The Franc gives a bit of lift to the nose, and the Merlot gives a bit of fat to the entry and mid-palate, while the Verdot adds backbone to the blend. Warm cherry-pie nose, and is fragrant, floral, and spicy. 21 months in new French oak.</i>			
Chanson "Pommard" 1er Cru '05	Burgundy, France	Pinot Noir	99
<i>Dark ruby color. Intense aromas of red ripe berries mixed with toffees and a hint of leather on a delicate vanilla note. Solid tannins and good persistence. Well-shaped oak note with 15 months in oak cask.</i>			
Chapoutier "Croix de Bois" '04	Chateauneuf du Pape	Grenache	89
<i>Wine Advocate: 95 pts. This biodynamic produced wine has a nose rich in black fruits, blackberry jam, and soft spices. The palate is full-flavored with warm tannins.</i>			
Ch D'Issan '96	Bordeaux, France	Cabernet Sauvignon Blend (Left Bank)	99
<i>This has a very pure, Cabernet-dominated nose that is typical of wines of the 1996 vintage. There is lovely perfume and a gravelly note too. The palate mirrors the nose, with classic, pure Cabernet fruit with a sweet edge, delightful poise and a stylish texture. Alongside there are notes of red fruits and beetroot.</i>			
Clarendon Hills "Romas" '04	Clarendon, Australia	Grenache	99
<i>This vineyard was planted in 1925. Today it yields about one ton to the acre. The wine sees no new oak barrels, usually 2-3 year old barrels of seasoned French barriques. The resultant wine exhibits raspberry, chocolate and exotic perfume in a layered, complex amalgam.</i>			
Donatella Prime Donna '01	Montalcino, Italy	Brunello (Sangiovese)	94
<i>Color: intense and brilliant ruby red. Characteristics aroma, intense, fine, spicy. Taste, dry, warm, robust, harmonious, lingers at length in the mouth.</i>			
Gridley '04	Napa, California	Cabernet Franc	80
<i>This wine displays style from the start with a deep red almost black color, heady floral notes, and rich raspberry and black currant flavors. It also has silky tannins supported by oak notes rather than overwhelmed by them.</i>			
Kamen Estates '04	Biodynamic Sonoma, California	Cabernet Sauvignon	88
<i>Aromas of crushed flower petals, licorice, black cherry, blueberry, and hints of allspice, mocha and Bosc pear. The palate exhibits blackberries, roasted stone fruits, blueberries, pomegranate and lavender. With great balance, this Cabernet Sauvignon has a big mouth coating, long finish of dark fruits, tobacco and mocha with well-integrated oak tannins.</i>			
Rubicon Estates "Cask" '04	Napa, California	Cabernet Sauvignon	93
<i>Organically produced, this cab is loaded with bright red cheery and rum raisin scents, dense and subtle tannins.</i>			
The Standish '03	99pts Parker Barossa, Australia	Shiraz	99
<i>90 year-old vines yielding only 1/2 ton per acre and 32 months on French oak yield a big Aussie Shiraz w/ ripe, deep dark fruit notes, generous doses of minerality and subtle floral flavors all with a long finish</i>			

RESERVE WHITE WINES

Leflaive 1er Cru "Clavoillon" '04	Burgundy, France	Chardonnay	115
<i>Puligny-Montrachet appellation is among the most celebrated white wines in the world. Bio-dynamically produced with 12 months in oak yields a well balanced classic chardonnay that will impress lovers and haters of the varietal.</i>			

RESERVE CHAMPAGNES

Dom Perignon Cuvee '99	Champagne, France	Chardonnay/Pinot Noir	225
<i>Subtle and intense, this wine exhibits strength and finesse that leave you in no doubt that you are tasting a truly superior wine. Until you have tried it you'll never know.</i>
